Working With Lord Taylor.

The WLF would like to wish all its supporters a very merry Christmas!

Liz with the Rt. Hon. William Hague MP.

Liz attended the launch of Conservative Friends of America. The president of the group is opposition leader David Cameron. Also in attendance was Ambassador Tuttle from the U.S. Embassy. He gave a fascinating talk on the anticipated changes that President Elect Obama will bring to America.

**Fausto with Tim Campbell
(winner of BBC's programme
The Apprentice)**

Fausto was in good company when he met with Tim and Boris Johnson, Mayor of London. They were launching the Bright Ideas scheme which helps give entrepreneurs financial aid.

In the Spotlight!

We like to keep in touch with past interns, to see what they have been doing since leaving WLF. This month, we are featuring **Anna McDermott**.

Anna returned to the UK over the summer to continue with her studies. She is now completing her BA final year at Pepperdine University in political science. Anna hopes to do a Masters at LSE next year.

Meeting the Prime Minister.

Liz and Fausto were thrilled to meet the Prime Minister Gordon Brown not once but twice this month!

The Prime Minister was a driving force behind the Taking Liberties exhibition at the British Library. This chartered the development of British Human Rights.
