### **Focus Groups**

In January 2008 WLF hosted a Leadership Focus Group. Participants included:

- Trevor Hall**, Executive Vice Chair, Windsor Fellowship
- Kunle Olafare**, Senior Executive, Kleinwort Benson
- Murali Krishna-Murty**, Asia Director, Nomura International
- Julian Blaize**, Solicitor Partner, Blaize Legal Support Ltd

***Some of the conclusions we received...***

- We want leaders with fresh ideas who are less self centred and more accountable.
- We want to create positive corporate cultures, instead of 'blame' cultures.
- We need our leaders to consistently show us vision, clarity and empower their teams.
- We discussed how the WLF curriculum addresses these issues and will set up a collaboration with a corporate to teach their leaders
