

The Lord Taylor of Warwick
House of Lords
LONDON SW1A 0PW

Dear Lord Taylor,

I just wanted to write and thank you for standing firm on Saturday, on Neil Oliver's CB News programme. It is no fine, of course, that without vision the people perish (Prov 29:18), also that man might plan his way but the Lord determines his steps (Prov 16:9).

I have just about given up on the Westminster "bubble" that seems to be "government of the people for the government by the government" to misquote the Gettysburg Address so was very encouraged by the fact that there is at least someone in Westminster who knows the Lord. We know where our reward is, whatever happens.

You are far from alone. Please keep up the good fight.

In Him

Greg
