

Dear Lord John,

May I say what a surprise and pleasure it was the other week when I saw you with Neil Oliver on GB News talking with him regarding the Rwanda refugee issue.

You probably will not remember me but we grew up in the same class at Moseley C of E School (Mr. Grail, Mr. Gough, Mr. Ray, Mrs. Mossom etc) and I still treasure a school photo taken of you and I. Also my dad taught at Moseley Grammar School where I think you went.

Anyway it was lovely to see you after all these years. May I send my regards and best wishes for all the important work you do.

With kindest thoughts

Peter.
